AUTUMN MENU SPOTLIGHT

Change is in the air—and on the menu! This season, The Owl's Nest Restaurant is celebrating the rich, comforting elements of autumn with an array of new culinary creations. Here is a first look at two standout dishes making their debut:

Chicken Apple Sausage & Pumpkin Ravioli
A beautiful balance of sweet and savory harvest flavors. This dish pairs our house-smoked, flame-grilled chicken apple sausage with delicate pumpkin ravioli. Tossed gently in clarified butter with baby spinach, dried cherries, crumbled feta, and toasted pecans, it is autumn in every single bite.

Coconut-Crusted Snapper Bowl (Gluten-Free)
Looking for something light and refreshing? This tropical-inspired bowl features a tender snapper fillet lightly dusted in shredded coconut and crisp rice flour crumbs. Served over steamed jasmine rice, it is balanced with seasoned black beans, a tangy red cabbage slaw, and a sweet, tropical mango salsa.

Join us at The Owl's Nest in the coming weeks to experience these fresh seasonal flavors firsthand.
